### Message from the Head

What a week we have had! Our children have had so many chances to shine and show themselves at their best. Through some fantastic performances – the EYFS/KS1 Nativity Play, which was utterly delightful; the Y3 and Y4 Christmas Concert, which put everyone in a festive mood; the school band performing in Worship, and showing their talents and skills to the rest of the school. Also through living the Keevil ethos, and treating others as we would like to be treated. The Storehouse Foodbank was incredibly grateful at the generosity of all your donations through our reverse advent calendar. Autumn Class spent a wonderful morning sharing the biscuits they had made with their buddies in Winter Class. And we raised £92 for Save The Children whilst enjoying wearing our Christmas Jumpers. It feels a fitting way to end a long and action-packed term, which has seen all our children grow and develop in so many ways – across the curriculum and beyond.

I am sure that you will join with me in saying a massive thank you to all the wonderful staff at the school, who always work so hard and give so much in order to make sure that what we offer each and every child is the very best it can be. I wish them all a relaxing and joyful holiday.

I would also like to say a huge thank you to you and all of your family, for all of your investment in and support of the school. This makes such a difference for your and every child in the school, and all of us who work here. So thank you very much. And I hope that you all have a very happy Christmas and a wonderful New Year.

### Contacting The School

Please remember that if you have any questions or concerns about your child, their class teacher or TA is always the best first port of call. They know your child the best, and are aware of the details of their daily life in school. Of course, if an issue is serious or they feel that they cannot successfully deal with it, they will refer it on to a senior member of staff. But they are always the best person to go to first.

Please remember that school starts back on Tuesday 8<sup>th</sup> January 2019 – we look forward to seeing you then.

**Wishing you all a very merry Christmas from everyone at school!**
