Message from the Head

This has been an exciting week in school with children and staff spending the mornings in their new classes for September. This gives everyone a chance to find their feet in their new environment, and hopefully takes most of the worries away for next year. Nerves are an inescapable part of change. They are felt by us all, but we don't want them to overwhelm the many positives of moving on for anyone. If your child has particular worries about next year please come and talk to us. I hope you also found the time to pop in during our 'Meet The Teacher' session on Wednesday to see your child's new classroom and meet any staff you are not familiar with.

As we move towards the end of the year, and our gaze shifts to what September will bring, it is easy to lose a little focus on the here and now. We talked as a school in Worship this week of the importance of maintaining our high standards over the past few weeks of this year: making sure we always look smart and are wearing the correct uniform (jumpers in school every day please!); trying our hardest, whatever task or activity we are doing; following the school rules at all times; and always treating others as we would like to be treated. We pride ourselves on high standards at Keevil, and we are not going to let this slip at the last.

I just wanted to say a huge thank you to all the children from the school choir and their families, who turned out in the scorching heat last weekend to sing at the Keevil Village Fete. Despite my woeful attempts at managing the technology and conducting, the children sang beautifully, as ever, and were such a credit to the school. The village were very appreciative of the performance.

You will also be receiving your child's end of year school report today. Please take the time to share this with your child – sharing their many and varied achievements, and discussing any targets their teacher has suggested for next year. Teachers will be happy to meet with anyone who has any questions about anything in their child's report.

Lost Property

We have a vast amount of lost property accumulating in the box in the corridor near the main door. If your child has lost anything, please come and have a look before the end of term. We will be disposing of any unclaimed items over the summer holidays. Please could we also ask, that as you sort uniform for next year, you make sure every item is clearly labelled with your child's name. Thank you.

FOKS Summer Disco

On Wednesday 17th July FOKS will be holding their Summer Disco. It will be held in school from 4.30 – 6pm. The cost is £4 per child and includes entrance, sausage in a roll, drink, bag of sweets and glitter tattoo. A parent is required to stay with Reception, Year 1 and 2 children. Older children do not need a parent to stay, but please ensure a telephone number is left on the gate in case of emergency. Younger siblings are welcome to attend.
