

Great Wishford CEVA Primary School Remote learning

The following information explains what remote learning will look like at our school and what your children will be expected to complete from home if we have to close class bubbles due to positive Covid-19 test results

Owl Class:

A weekly timetable and links to learning for the week will be available on the class bubble pages

Phonics- Daily lessons will be accessed using

Letters and Sounds for Home and School

https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw

English- Daily lessons will be planned by the class teacher and will include use of recorded teaching clips and online teaching and learning resources

Maths- Daily lessons and learning clips will be accessed using whiterosemaths.com and their home learning pages. Teachers will plan and direct you towards the correct learning each day

Non Core- Weekly projects and lessons will be in the form of teaching clips, online resources and worksheets set by the class teacher. The subjects will be set on the weekly class timetable available on the class bubble webpage

TEAMS- Some direct teaching will be given using Microsoft TEAMS where necessary to further progress learning or pick up areas of misunderstanding

Hedgehog Class:

A weekly timetable and links to learning for the week will be available on the class bubble pages
