20th March 2018

Message from Mrs Farndale

Welcome back to school, I hope you enjoyed a happy holiday and that your children are ready for the term ahead! It's hard to believe there is only 2 terms left of this academic year. This term's learning theme is "Alive and Kicking" with the focus on plants and growing. Look out for the Curriculum Topic maps being sent home with your child, sharing the learning planned for the term ahead. The Summer Term has arrived with some lovely weather, we are keeping our fingers crossed it continues. This week has seen lots of learning outside, so with this in mind can I remind you that the children do need a sunhat, sun cream and water bottles in school as we will be making the most of the lovely summery weather and getting outside as much as possible.

This week has seen a giant beanstalk appear in Owl Class, our very own Ninja Warrior style obstacle course during the Lunch Time Sports Club, a tea tasting party in Skylark and a trip for our Year 4s to Sarum Academy. As well as this, our Year 6 children have been working incredibly hard all week during their Mock SATs week. They have all approached their tests with enthusiasm and have worked incredibly hard – Well Done. Today we welcomed a visitor from the NFER who carried out some sample maths tests with the Year 6 children as part of a trial for future tests. He was very complimentary about the children's attitude to the work they were doing and their mature approach to learning.

Don't forget we have Class Photos on Monday morning.

Have a lovely weekend, fingers crossed the sun will continue to shine.

Jill
