Free Jumpers and Sweatshirts

Dear Parent/Carer,

At Elveden Academy, we expect children to wear a sweatshirt, cardigan or a jumper with the school logo.

Each child who is entitled to free school meals, **due to low income**, will be provided with two school sweatshirts, cardigans or jumpers each academic year. These will be provided during summer 2nd half term, ready for the next year.

If a family's circumstances change within the academic year, making them entitled to free school meals, **due to low income**, we will provide two school sweatshirts, cardigans or jumpers in that academic year.

There will be no expectation of repayment should a family cease to be entitled to free school meals, **due to low income**.

We hope that this is helpful to ensure children have correct school uniform.

Regards,

Mrs Rourke and Mrs Grimes.
