

# MY ACHIEVEMENT

If your child has recently won an award or a tournament or have done something extra special outside of school that they are proud of, we would like to celebrate their achievement by putting their name, photo and the achievement in our half termly 'Elveden Achievers' magazine.

Please fill in the sheet so we know what your child has done.

If they have a certificate or medal etc. for their achievement, it would be great if you could bring this in to have their photo taken with it to put in the half termly magazine.

Please return this sheet to Mrs Rourke. Thank you.
