Sports Relief and Sports for Champions

The school raised an amazing £300 for Sport's Relief and Sports for Champions, we would like to thank you all for your support. It was a fun week all round, with the teachers and children taking part in sporting events.

On Thursday 20th March the Lent Rise staff challenged the Lent Rise netball team to the match of the century. The game was played in excellent spirits and was enjoyed by all those who watched and played. A BIG thank you to all those staff and children who took part to make the match so successful.

On Friday 21st March, Ezekiel 'Zeek' Ewulo visited Lent Rise School. Zeek has represented Nigeria in Long Jump, winning medals. He set the Lent Rise children a fitness circuit challenge to complete before giving a talk about his career during assembly. Thank you Zeek for coming to Lent Rise and making the day so special.

Dolce

Please remember to cancel your child's lunch before 9.30am if your child is unwell or not in school, this reduces food wastage and costs for the school.

March's Attendance

Our overall whole school attendance figure for last month was 93%. The KS1 award went to class 2E who achieved 95% attendance and the KS2 award to 4K and 5H, who achieved 94.3% attendance, for the month of March.

School Shop Survey

We would like to thank parents who took the time to complete the school shop survey, the information provided has been really useful in our planning process.

Easy fundraising

We are always on the lookout for easy ways to fundraise and although we've been registered with the Easy Fundraising website for some time, many of you may not be aware of it! It is a VERY easy way to raise funds for the school. All you need to do is go to www.easyfundraising.org.uk and get shopping! If you link through this site when you shop, a percentage of the sale goes to a charity of your choice and that is hopefully, Lent Rise School! Happy shopping!

Safeguarding and E-Safety

Help us tackle online child abuse

“You don’t have to do anything anyone online tells you - whether you know them or not”.

This powerful message from a victim of online child abuse is at the heart of the second phase of our Hidden Harm campaign, which we’re running in partnership with the NSPCC.

Over the next three weeks we will be raising awareness of online child abuse, particularly around online grooming and exploitation.

To mark the launch of this phase of the campaign, we’re sharing the true story of 12-year-old Ellie who built up a friendship via social media with someone claiming to be a 15-year-old boy.

The person she was speaking to was in fact a man in his forties who ended up assaulting her numerous times. [Watch Ellie’s story on our website.](#)

Detective Superintendent Nick John, Head of Thames Valley Police’s Protecting Vulnerable People Unit, said: “Ellie’s story is a powerful example of how something as simple as accepting a friend request from a person you don’t know online can escalate into something with serious consequences.

“The internet is a huge part of most of our lives, especially for the younger generation and, while it brings a great deal of positive opportunities, unfortunately it can be misused by some people.

“This campaign isn’t about scaring people or telling them not to let their children use the internet. It’s about making everyone aware of the potential risks associated with children being online, ensuring they can spot the signs that may indicate a child is being abused and educating everyone on ways we can all help to keep them safe.

“Keeping children safe from harm is everyone’s responsibility and we are very pleased to be partnering with the NSPCC for this element of the campaign.”

Please follow the campaign via @ThamesVP on Twitter and the Thames Valley Police Facebook account using #HiddenHarm.

More information on the campaign, and the signs of online child abuse, can be found on our website - www.thamesvalley.police.uk/hiddenharm
