

Olympic Legacy Expenditure Review

Strategy for the 2018-19 Academic year

The Olympic Legacy Grant

Following the Olympics, schools across Britain are being provided with funding in order to improve the health and wellbeing of all pupils through sport and exercise. At Sonning Church of England Primary School we are committed to promoting the well-being of our pupils by helping them develop an understanding of healthy life choices. We actively promote mental health as well as physical health through an active lifestyle and enjoyment in sports participation. By using this funding strategically, our goal is to sustainably increase participation in sports, introduce alternative sporting activities, increase opportunities for competition, develop partnerships with local sporting organisations and improve the overall health and achievement of pupils through sport and exercise. This will be achieved through the purchasing of new sporting equipment, introduction of new activities, active participation within the Bracknell Sports Partnership (including Sainsbury games events), funding sporting opportunities for school pupils eligible for free school meals and buying in various sports coaches to deliver clubs for pupils and specific training for staff in order to raise the quality of PE teaching and increase sport opportunities.

Summary of Olympic Legacy funding spent (Sept 2017- July 2018):

Total number of pupils on roll	209
--------------------------------	-----

The priorities for the 2018-19 academic year include:

- Providing regular opportunities for inter-school competition (including a wider variety of sports)
- Introducing more 'School teams' in various sports to compete in leagues/local competitions
- Introduce additional specialist coaching into the curriculum (Bracknell partnership/Reading GC)
- Embed new sports into the curriculum (e.g. Golf, Lacrosse and Croquet)
- Providing a wider variety of lunchtime/after school sports clubs
- Improving the quality of teaching in PE (Professional development)
- Providing sporting/physical activity opportunities for vulnerable pupils (e.g. subsidise clubs for vulnerable pupils)
