In Little Leaf class we have been learning about how plastic affects our environment, especially our oceans. We have made a huge whale with a belly full of plastic for our main display:

Freya N: " We made it and then we painted it.

We made it's eye and tear. In the net there is some plastic rubbish."

Daniel: "He's sad."

Eliot: "It's crying because it has plastic in it's tummy."

Hattie: "He's eaten plastic because we drop plastic in the ocean."

If you have any questions or concerns about anything at school, in the first instance it is best to discuss this with your child's class teacher in class one or the Assistant Head Teacher, Claude Martin, who are both usually in school every day.

Lisa Newberry is in school all day Friday, but can be contacted at any time via the school office or by email.
