

8<sup>th</sup> January 2020

Dear Parent / Carer,

As you may have been made aware by your child, our theme this term is Moon Zoom. As part of this theme we are investigating Earth and our Solar System.

To consolidate this learning, we have booked to visit the National Space Centre in Leicester. All activities will be entirely age-appropriate and during the visit, children will get a chance to engage with the variety of exhibits around the centre and investigate what life is like in space during the 'Astronaut' show in the centre's planetarium. The visit will take place on **Tuesday 21<sup>st</sup> January.**

The cost of this trip will be £13.00 per student. Payment can be made via Parent pay, cash or cheque (made payable to The Grange School). If you are in receipt of Pupil Premium Vouchers these may be used for this purpose. Please fill in and return the slip below with payment by Thursday 16<sup>th</sup> January.

The children will need to bring a packed lunch (in a disposable bag). Please no chocolate or fizzy drinks. If your child would like to order a school packed lunch, please complete the lunch form in the normal way indicating cheese, ham or tuna sandwiches, ensuring you enter any dietary requirements. The lunch form will be sent home this Friday (10<sup>th</sup> January).

Yours sincerely

Holly Edwards & Katherine Warner  
Year 1 Teachers
