

Dear Headteacher

Owing to the current pandemic, Lawrence Sheriff School has not been able to hold its normal Open Evening, but we have prepared a Virtual Open Evening which is now available on the school website under Latest News at <http://www.lawrencesheriffschool.net/latest-news/503-virtual-open-evening-for-year-7-entry>.

I should be grateful if you would bring this information to the attention of your Year 6 parents/carers, along with a reminder that our admissions policy does give priority to pupils who are Looked After, Previously Looked After, Pupil Premium or Service Premium Children, including accepting a lower qualifying score for entry. Full details of the oversubscription criteria, how any priority places are allocated and the school's catchment areas are detailed in the Admissions Policy which is available at <http://lawrencesheriffschool.net/parents-and-students/key-information/school-policies>.

With all good wishes.

Yours sincerely

PETER KENT  
Headteacher

Lawrence Sheriff School  
Clifton Road
