18th November 2020

Dear Parent / Guardian

The School Aged Immunisation Service visited your school recently to offer the nasal flu vaccination. If your child is in Reception to Year 6 and missed this opportunity to be vaccinated and you would like your child to receive the vaccine, please contact us to book an appointment at one of our community catch up clinics.

If your child is in a clinical risk group or shielded group you can also access the vaccine via your GP surgery.

To book an appointment please contact our 0-19 Admin hub on **0800 170 7055 (option 4)**.

Please visit <https://www.nhs.uk/conditions/vaccinations/flu-influenza-vaccine/> for further advice about the vaccination programme and details about the small number of children for whom the nasal vaccine is not appropriate.

Yours faithfully

The School Nurses
NHFT
