The Northam Schools' Federation - St George's C of E Infant and Nursery & St Margaret's C of E Junior School

FRIDAY 7TH JUNE 2019

Welcome back for the final half term of this academic year. I hope that you all had a relaxing half term break and were able to make the most of the beautiful weather. The Summer Term is always a busy time for trips and this year is no exception. This week Year 4 have been down to the burrows as part of their Geography curriculum in order to gain a greater understanding of coastal features. On Wednesday a number of children in Year 5 travelled to London to begin an epic adventure in the big city. I am sure that they are all having a great time (despite the lack of sleep).

This week has also seen the launch of our new Federation Facebook Page. At the time of writing this, we currently have 172 likes which means that all information published is reaching the majority of families across The Federation. So often as educators do we warn children about the dangers of social media. It is really positive that we can share how powerful social media can be and show our children the more useful aspects of the digital world. If you haven't managed to find our new Facebook page, you can search for 'The Northam Schools' Federation' or use the following link - <https://www.facebook.com/northamschoolsfed/> If you have any suggestions for how we can improve our Facebook Page please email me; plewis@northamfederation.devon.sch.uk

Have a restful weekend.

Can we ask that all children have a coat in school every day. Even though the weather is better we are still having showers and children cannot go out in them at lunchtime if they do not have a coat. Thank you.
