Coronavirus (COVID-19)

These are the steps that we are taking as a Federation to keep your child safe from the Coronavirus virus. We would request your support in working with us to ensure good personal hygiene is maintained in our schools. Visit <https://www.gov.uk/coronavirus> for the latest information.

What we are doing:

1. Talking with the children in a calm, factual and reassuring manner.
2. Encouraging regular effective handwashing and sanitizing for staff, pupils and guests.
3. Ensuring pupils understand the importance of covering their mouth when they cough or sneeze (with tissues being disposed of immediately afterwards), and washing their hands.
4. Reminding pupils to avoid touching their eyes, nose and mouth.
5. Ensuring door knobs and hand-rails are disinfected by our cleaners.
6. Ensuring toilets are kept clean and well-stocked up with soap and toilet paper.
7. In the event of any child not attending school due to self-isolation then we will provide work.
8. Taking advice on a regular basis from Public Health England (PHE) including displaying PHE posters

What we ask parents/carers to do:

1. Talk with the children in a calm, factual and reassuring manner.
2. Talk to your child about the importance of good personal hygiene (see points 1-3 above).
3. Contact 111 if you require advice regarding COVID-19.
4. Inform us immediately if anyone in your family is being tested for COVID-19.
5. Declare any recent foreign travel and follow guidance accordingly.

What we ask pupils to do:

1. Follow the advice and guidance re: good personal hygiene (points 1-3)
2. Remain calm and act responsibly.
