

## How to join Google Classroom.

1. Install / launch Google Chrome browser or alternative (internet explorer/safari) and go to the Google homepage [www.google.co.uk](http://www.google.co.uk)

- 2.

4. Enter your child's username. This is the email address they use at school.

For example

[19daniel.o@northamfederation.org](mailto:19daniel.o@northamfederation.org)

For Daniel Ovey in Year 3

Daniel Ovey in Year 4 would be

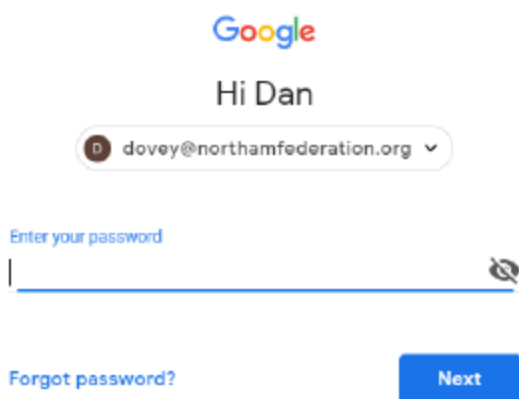

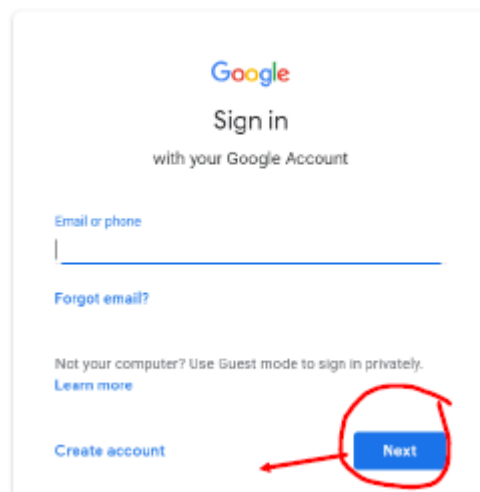

[18daniel.o@northamfederation.org](mailto:18daniel.o@northamfederation.org)

Yr3 prefix – 19

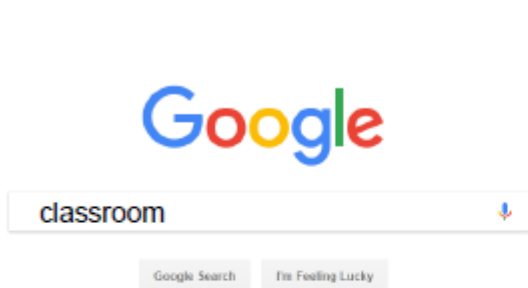

Yr4 prefix – 18

Yr5 prefix – 17

Yr6 prefix - 16

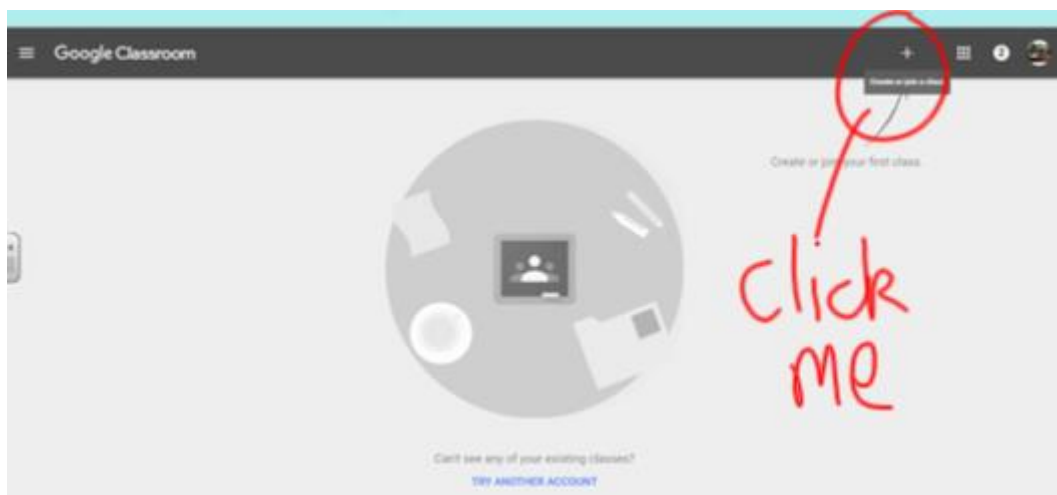

5. Enter your password. Year 3 and 4 this is set to the default 'Password' (case sensitive). Year 5 and 6 have their own passwords.

6. You should now be logged in.

If you google 'classroom' and follow the link ...

7. You will open Google Classroom. Click the add symbol in the top right hand corner. If it asks you to, click 'join class'.

8. If it asks you to confirm who you are, click continue. If it asks if you are a student or teacher, click student. If it doesn't, continue on to step 9.

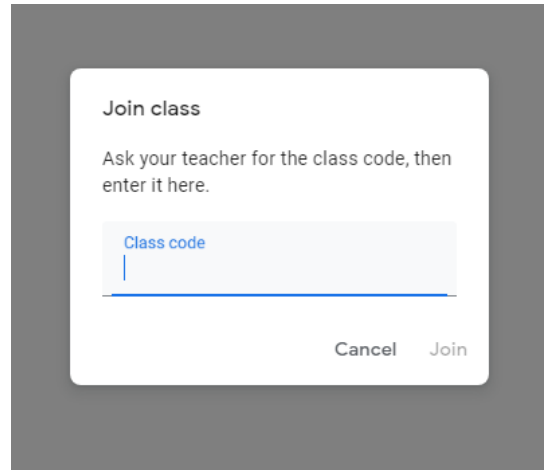

9. Enter your 'class code' this will allow you access to your classroom.

Year 3 = lu3xnbm

Year4 = rkwdglq

Year 5 = e2ogewz

Year 6 = pmy3z3a

10. You should now have joined the Google Classroom for your Year Group. This is where the teachers will be adding new content.

Click on the name of the Year Group to enter the page.
