Dear Parents/Carers,

We are planning to hold a camping event on the school field for Year 3 children on the night of Friday 14th September. This links to our topic work about the Stone Age, as it will allow the children to experience living outdoors, and will also help to develop teamwork and social skills as part of the transition from infants to juniors.

The children will cook their own dinner on camping stoves and take part in evening activities before sleeping overnight. The following morning we will provide breakfast and the children will then be collected. All activities will be closely supervised by school staff.

We will provide tents, camping stoves and food and drink for a light evening meal and breakfast. Children will need to bring the following equipment:

- A sleeping bag, blanket and mat for sleeping on
- A wash kit including toothpaste and a toothbrush, and a small towel
- Pyjamas, and a change of clothes for Saturday morning
- A torch, water bottle and waterproof coat.

Children should be collected from school at the normal time of 3.20pm on Friday 14th September but should then return to school at 5.00pm dressed in clothes that are suitable for camping outdoors at this time of year (not school uniform). The children can then be collected at 8:00am on the Saturday morning. The charge for the event is £4 to cover the cost of food and drink. If you have any questions please feel free to ask.

We ask that you indicate to us below whether you would like your child to take part or not.

Please return this to the school either via Parentmail or by paper form no later than 9am on Thursday 19th July. Please note that this deadline is not extendable, and failure to return the slip by this deadline will mean that your child will not be able to participate. We are also not able to allow children to attend who change their mind closer to the time.

We hope as many children as possible will be able to take part in this exciting new event.

Kind regards,
Year 3 Teachers
