Monday 9th July 2018

Dear Parents/ Guardians,

As you know we are coming to the end of our school year and soon your child will be heading to Year 1 for their next adventure. Over the course of the year we have collected a variety of evidence to document your child's learning and have presented this in two different ways. Firstly we have been using Tapestry to record our observations of your child. At the end of the academic year your Tapestry accounts will become inactive to make space for the new children starting Reception in September. We wanted to inform you of this so you could take the opportunity to print or download and save their online learning journey before this happens.

Secondly we have the red learning journeys which hold the paper evidence of your child's work from the year. If you wish to take home your child's red learning journey as it is we ask for a donation of £1 to go towards the cost of the folder. If you do not wish to make the contribution then we will send home the contents of the folder in a paper folder at the end of term.

We would like to take this opportunity to thank every single one of you for your fantastic support this year in everything we have done. It has been a pleasure to teach both Ruby and Jet class and we wish them all the best of luck next year.

Many thanks,

Mrs McCandless and the Early Years team
