

The Friends of St Columb Major Academy (FOSCA) would like to invite new parents/carers/grandparents, to come join our friendly group of like minded individuals!

Our main goal is to organise fun events for everyone and to fundraise for our school!

Our Christmas Fayre raised over £1,200.00 and FOSCA are proud that some of the funds raised bought new outdoor play equipment for our children to play with during school breaks.

TEAM

Everyone
Achieves
More

We have some great ideas for an Easter themed Eggstravaganza and we want to wow you with our creativity, but we are finding it difficult to put our ideas into practise as there are only a handful of volunteers. The saying "Many hands make light work", really do apply to the FOSCA!

So please consider coming along to one of our friendly get togethers where we share ideas and plan our events over a cuppa and slice of cake! You don't need to commit to helping at every event, we all have our own busy lives, but it would be great to receive more support.

Many Thanks

FOSCA
