PE Newsletter - Summer 2017 – 2018

Spring Term was very busy filled with lots of fixtures, sporting events and coaches coming into school to deliver lessons and clubs. Some of the highlights include Year 4 boys gaining bronze in the cross country and the Year 4 mixed and girls team who both came second in their football tournaments. The children dressed up and looked fantastic for Sport Relief and raised £xxxx

This term specialist sports coaches from Cornwall Sports Partnership will be working alongside the teachers in EYFS and Year 3 to deliver exciting PE lessons. Two different year groups will have a coach working alongside them in Summer 2.

As mentioned in the previous school newsletter, there are some changes taking place with the swimming in the school. Year 4 have commenced their swimming lessons and booster swimming sessions are taking place for Year 5 in Summer 1 and Year 6 in Summer 2. It is a National Curriculum expectation that the children are able to do the following by the end of Year 6:

- Children can swim competently, confidently and proficiently over a distance of at least 25m
- Children can use a range of strokes effectively
- Children can perform a safe self-rescue in different water-based situations

The percentage of children who achieve this at the end of Year 6 is reported on and published on our school website. To boost the school's swimming provision we recommend you child attends swimming lessons. The school uses Fitness 4u which is based in St Columb Major, the teachers provide fantastic lessons. Alternatively, Waterworld Leisure Centre in Newquay runs a swimming programme for children.

We have many exciting sporting fixtures this Summer Term. Keep a look out for information on Sports Day which will take place in Summer 2 and various other fixtures throughout the term. At primary school level it is so important the children have fun and enjoy themselves. Teaching them the value of teamwork and cooperation, how to win gracefully and how to deal with losing are all important things the children need to learn. It is wonderful when the children's parents come and support them in their sporting endeavours..
