Head Teacher: Miss A Bowers

Dear Families of Y2, 3, 4 and 5.

As a Headteacher, some letters are much easier to write than others are. This is one of the harder ones. I like you, had been hoping that there would be news of us all being back together in school again soon. However, we heard on Tuesday evening from the Government that it is not yet deemed safe enough to allow the full opening of schools before the summer holidays. Therefore, Years 2, 3, 4 and 5 will continue to work from home. We will of course continue to provide you with home learning and I am delighted that nearly all of our pupils are now accessing SeeSaw to complete home learning tasks that are being set.

The teachers have been working incredibly hard to ensure that this provision continues along with the task of being back in school teaching a smaller group of pupils. You will know that throughout the lockdown the school has been open for keyworker and vulnerable pupils who met certain criteria. I now have to inform you that we are full capacity for this group and are unable to accept any further pupils into this group at this time. I would urge you to keep in touch with us if you have any concerns. This could be about learning through to support with food vouchers etc.

The vouchers scheme will be continuing during the term for those that are entitled to free school meals. If your financial circumstances have changed please do get in touch with us and we can support you in applying for pupil premium which would mean your family are entitled to access the food vouchers. Throughout this time, Mrs Lewis and Mrs Lewry have been available to offer support on the telephone for parents. Mrs Lewis can be contacted on 07858 531579 between 9am and 3pm. Mrs Lewry can now be contacted on the school line during the mornings.

We will be exploring further ways that we can keep in touch over the remainder of the summer. The staff miss you all very much and are disappointed that we will not be returning the normal school routine yet. We have been told that more information will become available from the government over the coming weeks about how they plan to allow for pupils who have been absent from school to catch up with their learning.

We will keep you updated with this and pass on any information as we hear more news. Keep safe and look after each other

A E Bowers

Miss Bowers
Headteacher
