All upcoming dates for your diary can be found on our website calendar at

<https://www.georgiangardens.w-sussex.sch.uk/web/calendar/209360>

## Reminders

If you have any Sun book for school tokens, please can you hand them into the school office as soon as possible.

Please be mindful when parking in and around the local area of school, we have received numerous complaints from local residents about the parking of our parents and the use of private car parks.

Children are not to bring in games/ toys to school.

If your child becomes unwell during the school day then we will (assuming we have consent) administer paracetamol after 1pm. If your child becomes unwell before 1pm, we will contact you to check if your child has already been given any paracetamol and if 4 hours have elapsed since the last dose. If your child is unwell in the morning and you wish your child to have paracetamol whilst in school then you will need to provide your own supply.
