

Millfield Nursery

What we have done this week

This week our focus has been construction.

We have explored such things as making road signs and finding ways to transport dirt from one place to another. Within our circle time we have been creating phonic sound stories.

Mrs Papworth and Mrs Trevor have been teaching the children a new song about building a house, you can find the song 'Gonna build a house' via Google if you wish.

Parent reminder

Please remember to fill in your child's lunch slip at the beginning of each week.

The rain is on its way please remember their wellies.

What we will be looking at next week

Next week at nursery (w/c 27th November) we will be looking at 'safety within our environment'.

We will be covering:

- Road safety
- Safety at home
- How to use equipment correctly and safely within the nursery environment.

Cheeky Challenge

This is a challenge you may like to do with your child when you are out and about.

'To see how many different safety signs you can spot.'

Upcoming dates/events

18th December - Christmas lunch

19th December - Nursery Christmas party (separate letter to follow)
