

25th January 2018

Millfield Nursery

In exploring and learning this week.....

We have been looking at 'Being healthy'.

Some of the activities the children have enjoyed this week are

- Making and eating fruit kebabs
- Playing with rice, comparing how many spoonfuls each container has
- We have talked about what is healthy to eat and what helps our bodies grow.
- The children have taken part in short exercise activities (playing the bean game) and the effects it has on our body. We became hot, our hearts were beating faster and our breathing became more noticeable.

The children have really enjoyed the book 'kitchen disco' at circle time.

Parent reminder

If you have booked your child's school meal a week or half term in advance and they are then not in nursery or they change their mind and would like a packed lunch can you please remember to unbook the meal by 9am of that day otherwise you will still be charged.

What we will be looking at next week

'The jungle'

A few activities we will be covering are:

- phonics with different animal/jungle sounds.
- height comparison and ordering jungle objects (vines, animals).
- jungle scene small world for story telling.

Cheeky challenge.

Can you investigate what creatures live in the jungle?

If searching on the internet please take the opportunity to talk to your child about internet safety.

When they want to use a tablet/laptop/phone they must ask an adult first, or speak to an adult if they see something that worries them.

Upcoming dates.

Come and play when your child is in session:

- 26th January 9 – 9:45am
- 30th January 9 – 9:45am
- 8th February 2:15 – 3pm
