

Millfield Matters

The Grange Competition

Just a reminder that entries for The Grange 'Name the building and design a picture' need to be handed into school by Tuesday 1st May at the latest.

Summer at last, maybe.....

With the weather getting better please remember to send your child to school with a hat and a water bottle. Sun cream should be applied before school and children can reapply at lunchtime if necessary. Please remember that children must be able to do this themselves.

The children have an array of activities to do at lunchtime but we have had a request for some wool to make pom poms. We wondered if parents/carers have any left over wool in the back of the cupboard and would be happy to donate for this activity. Please drop it into the school office.
