# Millfield Nursery

## In exploring and learning this week.....

Welcome back everyone, we hope you all had a lovely Easter break. This week we have had a few new children start and come for stay and play.

The topic this week has been settling back in and we have been looking at 'growing'.

The children have enjoyed:

- The hungry caterpillar and talking about how and why he grows and changes.
- Growing cress hats.
- Painting pictures
- Bug hunts.

## Parent reminder

Please do not allow your child/ren to ride their scooter or bike past the top white entrance gate of the school.

If you require your child/ren to attend stay and play, we request at least 24 hours notice to ensure correct staff ratios.

## What we will be looking in the new term.

We will be continuing to explore and learn about 'growing'.

Some of the activities we will cover are:

- Making stain glass butterflies.
- Decorating biscuits to represent caterpillars.
- Looking at spider webs.
- Looking the habitats of different bugs.

## Easter holiday cheek challenge

Thank you to those children who have brought in their[ Easter diaries and shared them with us. They have been lovely to look through. There is still time for your child to bring in their Easter diary and to share with us all the lovely things they did over Easter.

## Sun cream

Now that the weather is getting warmer we ask that you apply sun cream to your child before they attend nursery and provide them with a sun hat. In order for us to keep your child safe from harmful sun rays for those children attending nursery all day there is a permission form for you to complete to allow us to re-apply the sun cream.

## Upcoming dates.

Our next **come and play** dates:

- Thursdays 26<sup>th</sup> April 9:00-9:45am
- Friday 11<sup>th</sup> May 9:00-9:45am
- Tuesday 22<sup>nd</sup> May 2:15-2:55pm.
