

Millfield Nursery

11th January 2018

In exploring and learning this week.....

Welcome back everyone, we hope you all had a lovely Christmas break.

Our first few days back we spent some time talking about La Bafana, and the history behind who she is. We made our version of 'Befanin' biscuits.

This week we have been looking at 'All about me'. We have focused on our faces, looking at how we are the same and/or different. We have been using different media and loose parts to make faces and people.

Parent reminder

Please remember to still fill in your child's hot lunch request slip as well and booking and paying for the hot lunch on Parentpay prior to the day.

The weather is becoming very wet so please provide your child with waterproof clothing and wellies as we will explore our outdoor area in all weathers.

What we will be looking at next week

'Our body' we will be exploring:

- Body composition
- Different ways in which our body moves.
- What makes us unique?

Important information

We would like to remind parents that our end of the day pick up has now changed slightly. We will be opening our door to parents at 2:55pm, this is so we can still give parents a full handover at the end of the day but ensure that staff are ready for their next duties.

The nursery now has a direct phone number which is 01353 865053, or option 4 when calling the main school number. Could we please ask that parents use either option to contact the nursery as from now.

Could you all just check the label of your child's school jumper as we have had one that has gone missing.

School application.

Just a reminder that the deadline for Applying for your child's school place is the **15th January 2018.**

Cheeky challenge.

'Height order your family', talk about tallest and shortest.
