

Millfield Governors 2017/18

Pen Portraits

Mark Clough

After working in the state and independent sector for almost 20 years as a peripatetic music teacher I was keen to help drive up standards at my daughters school in my role as parent governor.

Emma Gunbie – Chair of Governors

Being a parent of 5 children all of whom have attended Millfield, I am passionate about driving improvements in the education of all of our children. I have link governor roles for Curriculum and Finance/Resources.

Matt Glavin

I have had two stepchildren attending Millfield Primary, one has now progressed to Witchford Village College with one remaining at Millfield. I am Chair of the Resources Committee and lead governor for the Health & Safety at the School, I am also part of the Pay Review Board.

Laura Macdonald

I am a mother of 2 sons, one with SEN who is now at secondary and one at Millfield. I am the link governor for social, moral, spiritual and cultural curriculum. The better the wellbeing of the children and staff the better the school performs.

Hazel Morris

I retired from teaching three years ago and moved from Staffordshire to be near to family. I enjoy being part of Millfield and believe that my experience can help drive educational opportunities for all our children. I am link governor for SEND, Early Years, and Safeguarding.

Philip Taylor – Chair of Standards

I have worked as an educational professional for over 25 years in both the public and private sectors as a teacher, manager and external moderator. I have also significant experience of both Ofsted inspections & QAA reviews. I have been a Governor at Millfield School since 2005 serving in a variety of roles. During that time, I have been privileged to witness it develop into the strong, vibrant and high-quality school we have today.
