

15th March 2018

Millfield Nursery

In exploring and learning this week.....

We have been exploring 'The Ocean'.

Some of the activities the children have really enjoyed this week are:

- Making under the sea creatures out of playdough and using sequins to represent their scales/markings.
- Using channels to represent the river that flows to the sea.
- Exploring the different textures of shells and describing how they appear different or the same.

Parent reminder

Please do not allow your child/ren to ride their scooter or bike past the top white entrance gate to the school.

If you require your child/ren to attend stay and play, we request at least 24 hours notice to ensure correct staff ratios.

What we will be looking at next week

We will be continuing to explore 'The Ocean'

We will be extending our focus onto exploring oil rigs and deep sea divers.

Our activities will include making large scale building of oil rigs, connecting pipes and tubes, fishing for numbers, making submarines.

Important information.

Please can we remind parents that the pickup time at the end of the day is 2:55pm. This is so we can ensure that we can give parents a full hand over as well and ensuring that staff are ready for their other roles and responsibilities at 3pm. In order to help this transition the children will be sat in the cosy corner with their coats on (weather appropriate) and their bag ready.

As from week commencing 12th March 2018, any late collection will incur a fee as per the fees policy you received with your registration form and signed. Please inform everyone who collects your child.

Upcoming dates.

We will celebrate St Patrick 's Day on Friday 16th March. Please wear something green

Friday 23rd Sports relief – come dressed in sportswear.

Our next come and play dates:

- Monday 26th March 2:15 – 2:55pm.
