School Visit

The children have had a fantastic week, we had a visit from our local Police Officer on Wednesday afternoon who talked to the children about his job and some of the things that it entails which the children thoroughly enjoyed.

It looks like we may have some potential Police Officers amongst us!

Surveys

We have been asked by Healthwatch Cornwall to try and get as many people as possible to complete the survey below:

About the survey:

People are finding appointments with doctors in Cornwall increasingly difficult to access according to the latest feedback given to Healthwatch Cornwall from patients. This experience varies across GP practices in Cornwall. In response, the health and social care watchdog has launched a survey to learn more about how easy or difficult people across the county find securing a slot to see a doctor at their surgery.

The National GP Patient Survey data from July 2017 shows general practice services in Cornwall and the Isles of Scilly are consistently regarded by patients as better than the England average. However, there is a shortage of general practice doctors nationally and locally - demand is increasing whilst the number of doctors is not. This means services may need to be provided in other ways to ensure they meet the public's needs and offer the best possible patient experience, within the allocated budget and resources.

The survey is aimed at people who live in Cornwall, even if not currently registered with a doctor, and runs from Wednesday, December 13 to Friday, January 19, 2018. Participants can choose to enter a prize draw too.

Alternatively, the survey can be accessed through our website: www.healthwatchcornwall.co.uk
