

Hello, all the children at St Michael's Junior School know me as Gwen and I am really looking forward to meeting you in September.

I have a special room called next to the Dinner Hall where everyone is welcome – it's a place where you can come if you are feeling happy, a bit sad, need to have a chat or time to just be quiet. Your adults at home are welcome to come and have a chat too!

Our school is called **St Michael's** Junior School because we are part of the family at St Michael's church in Twerton. While you are at St Michael's we will have fun thinking about some of the stories in the Bible in our worships. Here is a little activity you might like to do at home during the summer.
