

**Have you ever  
wondered what  
Year 1  
is like?**

**Open the booklet  
and find out!**

## Where are we?

You'll find us in the Modular Building, right next to the vegetable patch and the Studio.

Our classrooms are similar to Foundation Stage but we share our outdoor area with Year 2.

We still have lots of fun things for you to play with like My Little Ponies, dinosaurs, hexbugs, Numberblocks and so much more for you to enjoy with your friends!

## Morning Routine

Once you have hung your coat up and put your book bag away we will do the register together and choose our lunch for the day. We then head outside for the Daily Mile with Year 2. Once we have finished, we return to the classroom to have snack time together.

## Playtime & Lunchtime

When it comes to playtime at 10:30, you'll see lots of familiar and new faces outside playing on the mound, building with the pallets and rolling on the tyres as we will share playtime with the Year 2s. Lunchtime will be slightly later at 12:00 but you'll be so busy having fun that you won't even have time to notice.

## What will you learn?

Year 1 is great because we cover exciting topics, we go on amazing trips, you get to choose a fun marble treat (when your jar of marbles is full) and we get to put on a show stopping performance at Christmas Time. There are so many things that we hope you will all love!

You'll come back with a splash as this year we hope the school swimming pool will be open for swimming lessons in September.

Just like Foundation Stage, we used topic based learning activities. We start the year off with the topic 'Spooky Fruit'. Can you guess which fruit we might use? This is closely followed by 'Moo Baa Cluck' which links well with Christmas activities. We bring in the New Year by taking a look at the 'Old Years' looking at the past in 'Rags to Riches'.

We then blast off with our topic 'To Infinity and Beyond'. I bet you can guess what that is about. We begin the summer with 'A Leafy Tale' where things may start to grow and we enjoy retelling familiar stories.

We finish the year 'Beside the seaside, Beside the sea' taking another dip in to the past!

## Your friendly faces..

We have worked in Year 1 together for a couple of years and can't wait to welcome you all in September – we know you'll love it!

Mrs Brech is the Key Stage 1 Phase leader and you will see her smiley face around the school.

If you have any questions please feel free to send us a postcard over the holidays and we will answer them on your first day back.
