

Photo Permission

In our usual way, the teachers will be taking lots of photos of the children enjoying the activities at Bawdsey Manor. It is planned for some of these to be uploaded daily for you to see on our school website, provided we are able to get Internet access this year.

Please be assured that, at no time will the children be named, but we still require permission from every parent or guardian. *In the absence of a signature, we will ask that your child steps out of group shots.*

Would you kindly sign below, giving us permission to include your child in our photographic adventure!

Child's name _____

I hereby give permission for my child to be photographed taking part in activities on the PGL trip to Little Canada in June 2020. I understand that children will not be named, but may form part of a daily page on our Website.
