

A decorative border in a reddish-brown color, featuring intricate scrollwork, swirls, and heart-shaped motifs. The border is positioned around the central text box, with a large floral element at the top right and another at the bottom left.

Dear PTFA,

I'm writing this letter to thank you for the effort you have put into the year 6 leaver's ball. We cannot thank you enough for the experiences you have given us and the smiles you have put on children's faces, and this is just another example of the great things you do. And for that we are forever grateful and thankful for the wonderful memories we can take away with us to secondary.-

Thank you,

Nathan

Dear PTFA,

I cannot thank you enough for everything you have done for Wraysbury primary school. Whether you have just joined, or whether you have been here for a long time, you have had a huge **IMPACT** on all of us.

The year 6 leavers' ball is just one of the **AMAZING** occasions you have put all your effort into, to make this such a **SPECIAL** time in our last year of primary. I value highly your **GENOROSITY** and **CARE** for the pupils. I know I speak on behalf of everyone here when I say, we couldn't wait! Thanks to you we have lots of lovely memories to cherish!
