

# Welcome to Year 4

Bing Bong....." This is your Captain speaking.... Welcome aboard the Year 4 flight on an exciting journey around the world!" So... Pack your suitcase and your passport, fasten your seatbelt and make sure your tray is stowed in the upright position. Prepare for take off!

Please be prepared for Year 4 by bringing in your own equipment.

Your pencil case should be able to fit in your tray. So no bigger than a standard paperback book.

Our first destination for the autumn term is Top Secret!

Swimming may continue in September! Yay!

Don't forget your swimming kit! Swimming costume/shorts, towel, goggles and flip flops or crocs for walking to and from the pool.

Things to help you prepare for Year 4

Practise your times tables especially your 3, 4 and 8!

Settle into Y4 with our Commotion in the Ocean Transition topic. You will explore all the creatures of the sea with lots of fun craft activities and maybe some dressing up!

So, are you ready to fly away on a Year 4 adventure?

We will see you in September!
