CHILDCARE SOLUTIONS

WE ARE READY!

www.thegapclub.com

- Welcome to The Gap Club!
- A few things have changed but don't worry as we will still have lots of fun!
- You will now be in 'bubbles' and have your own space to play with friends.
- All the bubbles will be separated.
- It's really important to keep washing hands and use hand gel.
- If you feel poorly, please make sure you speak to your playworker.

- We may have some extra signs up, that's just so we can make sure everyone is safe.
- We have to be careful with sharing toys, so some things may be a bit different.
- We won't be able to let you take things home from the club.
- We will try to play outside as much as we can within bubbles, with social distancing but fun games!
- The most important thing is that we want you to safe but also have FUN!
