Thursday 7th October 2021

Dear Parents and Carers,

We have recently become aware of a game that some of the children have been playing in the playground, which stems from the Netflix programme Squid Games. At first glance it looks like the children are playing “What’s the Time Mr Wolf” or “Granma’s footsteps”, but this may not be the case.

The Squid Games is rated 15 due to the nature of the content, which involves gory, graphic images of unpleasant things happening to people.

I am sure you will agree that this content is totally inappropriate for children of Primary School age to be watching:

We have spoken to our children and reinforced that they must not be talking about or playing this game (or any other game) that stems from programmes/computer games of an inappropriate age rating. We ask that you please:

- **Speak to your child about this game and ensure that they understand that they must not access games or programmes that are not suitable for their age**
- **Please ensure that as a parent you monitor what they are watching and playing carefully**
- **Ensure as parents that you have suitable settings on your Netflix and other digital content**
- **Ensure that older family members such as brothers and cousins are not exposing your child to inappropriate content**

At the Induction Meeting for KS2, parents asked us to continue promoting #Wake Up Wednesdays so we will be sharing the fact sheet for this programme. It guides you through what you should know so please read it carefully. All previous sheets for other games are on our website, this link takes you directly to them.

[Welcome to Wraysbury Primary School](#)

If you need any further support or have any questions then do please contact us.

Many thanks,

Mr Myles Gresswell
Deputy Headteacher

Royal Borough of Windsor and Maidenhead
