Dear Parents,

Following yesterday's government announcement, St Mary's will be closed to the vast majority of pupils, until further notice.

To ensure that we continue to support you with your child's education at home, we have posted Home Learning Packs on our school website.

To access the packs, visit our website [www.st-marys-truro.cornwall.sch.uk](http://www.st-marys-truro.cornwall.sch.uk) and choose 'Curriculum' from the menu followed by 'School Closure Planning' from the drop-down menu. Here you will be able to choose the year group.

Of course, we also welcome participation in non-technology based activities, too. We'd love to hear of things you have been busy learning. Please send in some photos to [stmarystrurolearning@gmail.com](mailto:stmarystrurolearning@gmail.com). Teachers will be posting some of your great learning on the class blogs ☺

These packs are initially for a two week period:

Week one plans - Monday 23<sup>rd</sup> to Friday 27<sup>th</sup> March

(Two week Easter break)

Week two plans - Monday 13<sup>th</sup> April - Friday 17<sup>th</sup> April

Further information will be sent to parents, with regard to additional learning resources, should these be needed for an extended period.

We will of course inform parents as soon as we have an official date to re-open.

With many thanks for your support,

St Mary's Teaching Staff
