Week ending Friday 22nd May 2020

It has been really lovely to see some of our children back in school this week as we re-opened as a hub. The children have been completely amazing, as have the staff!

We are working hard to get more information out to you regarding the opening of the school to children in Nursery, Reception, Years 1 and 6. Thank you very much for all your responses to the parental survey on this; it is hugely helpful as we plan to provide as much provision as we can. Please know that whether you have made the decision for your child to return to school, or stay at home, we absolutely understand and support you. You know your children best and we will continue to ensure that the curriculum provision for those at home and at school is equitable.

Take care and stay well.

Being Brave		Amelia G (2SD) for developing her resilience
Being a Great Helper		Piran (2SD) for working hard at home Tom (1/2HT) for looking after his chickens and guinea pigs Jacob (1SH) for helping his younger sister to learn how to ride a bike

Amber (N) for having at go at both Reception and Year 1 work during her time at Pennoweth Charlie (3NS) for completing of all his maths work

Safeguarding

Please remember to get in touch with us once a week so that we know you are all ok. The easiest way to do this is by emailing in. You can email the key stage addresses (these are given on the front of the website or use the help@pennoweth.cornwall.sch.uk address—this is monitored every day).

Pebbles!

A huge thank you to everyone who has brought their pebbles up to school this week! It has been lovely to see our pebble chain growing a little bit every day. Please keep adding them—we'll see how far we can get!

Half term

It is half term next week and, although we are have not been in school like usual, everybody is most definitely deserving of a break from school work if at all possible. Our hub will be running (apart from on Monday which is a bank holiday) and so we have planned and resourced our recovery curriculum for the week. We will be posting this work to the blog so, if you do want to carry on with some work, you can find out what we are up to.

Please don't feel in any way that you need to do home learning next week, do get a break and we can start again for the next half term from Monday 1st June.

Opening to different year groups / use of key worker hub

As you will know, we are planning to open to more children from the week commencing the 1st June. Thank you very much for responding to the parental survey regarding whether you would like your child to return to school. We are looking at the numbers and assigning classes or 'bubbles' for the children. If you have indicated that you would like a school space for your child (in Nursery, Reception, Year 1 or Year 6) we will contact you by Monday to give you further information. You will need to complete and return the form that we send to you (this can be done via email). If you said that you would like a space and have not received an email from us by the end of Monday, please email to help@pennoweth.cornwall.sch.uk. Thank you.

From the 4th June, only key worker children will be able to access wrap around care. Children who have been using the hub, but are not key worker children, will be able to continue to use the hub in school hours (if in years 2, 3, 4 or 5) or will need to transfer to a year group bubble (if in years N, R, 1 or 6).

Happy birthday this week to:

Dovydas (Y3), Samuel (Y4) and Ella (Y5). We hope you have a wonderful day!

Please don't forget that if we can help in any way, you can contact us through help@pennoweth.cornwall.sch.uk

Take care and we look forward to seeing you when it is safe.
