

Suggested Warren Barn Kit List

For the teachers/group leaders:

- Food and drink (We can provide packed lunch and dinner from the Occombe farm cafe and breakfast from the farm shop – prices on request)
- Tea-towels (we provide all other cleaning equipment)
- First Aid Kit for off site activities
- Simple games equipment (bat and balls etc.)
- Leaders Mobile Phone (plus charger!)
- Contact details and medical forms of children
- Tea, coffee, sugar, milk plus drinks for kids e.g. squash
- Puddings (we don't supply these!)
- Kindling and matches for wood burner and camp fire (camp fire and/or barbeque is used at your own risk – you need to include it in your own activity risk assessment). We provide 1 basket of split logs for the wood burner, further wood is available at £3.50 per basket from the ranger that signs you in (or bring your own).
- Folding camp chairs for the adults are a good idea as there are only long benches to sit on downstairs and the kids nab these!
- Laptop and speakers - so you can use the digital projector and screen to show a film etc (if relevant)
- Emergency money for taxis if no staff car.

Suggested Kit list: (Kids and adults)
