**Science:**

- Forces
- Solids, Liquids & Gases
- Reversible and irreversible changes.

**Humanities:** The Victorians. Children will learn who Queen Victoria was and when she reigned, the contrast between the rich and poor, place key events within a timeline and look at key figures of the time through primary and secondary sources, look at the Education Act and the industrial revolution and will look at the famous explorers and inventors of the time. This topic will also include a trip to Lanhydrock House.

**French:** This term we will be learning about tenses and verbs in French, learning to pronounce words correctly and exploring vocabulary related to ourselves and our families.

**Art:** Pop art followed by Victorian art.
