

KS2 Production

On Wednesday 13th December, KS2 did the production, called “The Magical Christmas Jigsaw.” In the story, there are six children, who were given a magical jigsaw, which told the story of Jesus.

A woman, in disguise, was actually a Christmas angel, who gave them a magical jigsaw. The jigsaw told the story, of that very first Christmas. Part of the story, was about the evil King Herod, who was the King of Judea. He wanted to kill the baby (Jesus).

The people who taught and directed the play were Mrs Green and Mrs Wheeler and they helped a LOT. Also, very BIG THANKS to Mr Briscoe, his playing on the organ and piano was fabulous.

KS2 needs to say thank you to another person, Ben Goddard. In the rehearsal and the play, he did all of the lighting AND all of the background music. We could not have done it without him! On the night of the production, KS2 performed it to the parents of Y3, Y4, Y5 and Y6.

It was a HUGE success for everyone!
