

Hello from your school caterers!

We provide catering for over 500 schools across the country, serving more than 8500 meals per week in Torbay alone. We are passionate about fresh, healthy and delicious school food. Lunchtime should be an opportunity for pupils to relax, have fun and eat a balanced meal with their friends. Here are some of the things we've been doing to make school meals memorable!

Feeding Hungry Minds

Theme Days

Throughout the year we hold a variety of theme days. These special lunches are inspired by popular holidays such as Easter and Harvest Festival, as well as national events like World Book Day and the Olympics.

In October last year our theme was Lunch at the Movies. We served cinema inspired dishes and held a 'Be the Director' drawing competition. Some schools even showed a film during lunch!

In November we celebrated Bonfire Night. Our teams decorated their counters and served tasty fireworks night food.

Our upcoming theme days are **Friendship Day, February 9th** and **World Book Day, March 1st**. We'll be sending out more information soon.

Christmas Lunches

Christmas lunch is always a huge event for us. Pupils, school staff and our teams all join in the festive fun. We served 3246 Christmas lunches across the bay on December 13th! We would like to say a big thank you to the school staff who helped serve the students. Everyone worked really hard to make the day a great success and a lot of fun.

Welcome!

We are pleased to introduce our new Food Ambassador, Simon Welland! Simon will be working with kitchen managers and schools to help to continue developing our lunch offer and bring new fun food activities into schools.

Simon will also be at parent's evenings to answer any questions you have about our service, so please come and say hello!

Tell us what you think!

We are always happy to receive comments and feedback on our lunch service. If you would like to get in touch contact your local ISS operations manager Rachel Carter via email: Rachel.Carter@uk.issworld.com
