' Learning today for the world of tomorrow'

Message from Mr Dye

Thank you so much for supporting us throughout this term. Generally, the children were so well supported at home and they have come back to school buzzing and so keen to do English and Maths as well as all the other subjects. Their behaviour in school has been truly outstanding. We hope you have a well deserved Easter Break with no home learning expectation

Foundation THANK YOU!

The Stars and The Sunbeams would like to say a huge 'Thank You' to The Pullen Family for the wonderful new mud kitchen! The children absolutely love it and have already had lots of fun playing with it in our outdoor area!

Acts of Vandalism in Cades Parc Park

We are sorry to inform you that some of our children are letting us down after school and there has been some significant wilful damage done to the newly planted wildlife in the Cades Parc Play Area. We have carried out an investigation and a number of pupils have come forward.

Mr Dye has discussed this in great detail with the Town Clerk and we will now look for pupils to do some new planting in this area. We have also spoken to our older pupils about caring for the Community and respecting our Wildlife, as well as the need to behave well at all times, in or out of school. In addition, a member of the Town Council will be speaking to all the children via Zoom so that we can encourage them to make the right choices.

This is a telling message particularly for those who let themselves down after school. Please can you also continue to support us with this so that we can work together to ensure there are no future incidents of this kind. It would be good to know that the children who are trusted to be independent and mature, continue their in-school exemplary behaviour when they are on their way home.

WILDLIFE PHOTO COMPETITION!

HELSTON CLIMATE ACTION GROUP HCAG

Adults can win a hamper worth £150!
