'Learning today for the world of tomorrow'

Year 2 RE

In RE over the past few weeks, Year 2 have been learning about Muslims and the religion of Islam.

The children were set a question in Week 1 'Who is Muslim and how do they live?'. We have explored the belief system of Muslims, how they live their lives different to Christians and other faiths, have learnt about the prayer beads, the 99 names of Allah and the Holy Qur'an.

On Wednesday, the beautiful Daya visited us to talk about the faith and what it is like to be an Indian lady in Britain. She showed us traditional dress for boys and girls, taught us some dancing and talked to the children about what life is like for Muslims.

We hope all of our families have a wonderful summer!
First Day of Term is
Tuesday 7th September 2021.

Thank you to all the children and their families who have fully supported our Walk to the Moon fundraiser for Edukid. During June and July, Parc Eglos walked a combined distance of 5,265.5 miles. It has been so lovely to see all the classes outside, in their bubbles, taking part.

We are also blown away by the amount of money that you have all raised. The running total is currently **£1029.35**, with money still coming in. Sophie from Edukid has informed Mrs Eddy that this money will pay for three children in Cambodia to go to school for an entire year! How special is that?

Year 5 Football Tournament

On Wednesday this week 27 year 5 boys and girls played in a mini Plymouth Argyle football event at Helston Football club. The boys had 2 sides, all of them played so well, with the stripes not losing a game! The girls entered 2 sides and Plymouth Argyle were so impressed with how they played they have asked them ALL to come back for football trials to try out for their evening sessions. The organisers praised all of the players for their commitment to play the game in such hot conditions. Well done year 5.
