'Learning today for the world of tomorrow'

Football News

Parc Eglos footballers have welcomed back the football season with open arms. Last Friday the boys travelled to Ludgvan in the Diamond Shield quarter-final. We went a goal behind early on, but showed real spirit to equalise and then score two more excellent goals from Austin. Taylor made the same number of crucial saves and with final whistle nearing it looked like the reds had the victory sewn up. However, no one could have stopped the wonder goal from Ludgvan, in the final seconds! Captain Olly rallied his troops, but extra-time ended 2-2. In golden time Jayden and Ryan would not let Ludgvan settle and then, with silky skills, Austin found an opening for his hat-trick and a place in the semis was ours!

Yesterday the same players travelled to Falmouth, where St Francis awaited us in the quarter final of the Rosewarne Shield. Ryan's early shots tested their keeper and Archie and Thomas were in great form intercepting their long clearances. This time it was Rio who won all the plaudits, taking both of his first-half goals with calmness and style. What a couple of finishes. The assists from Ryan were excellent too. Austin and Jayden bossed the middle of the field and Olly pushed forward from the right wing. In the second half Taylor had very little to do, mainly because his defence and midfield were closing down the opposition. Thomas made the game 3 - 0 with a powerful free-kick from outside the area. Well done to another semi-final place booked.

This week our girls played the first round of the Cornwall Cup match on Tuesday. It was a highly entertaining game and the final score was Parc Eglos 12 - Nancledra 1. Such a great start and the girls are now looking forward to their second round game at home against Ludgvan.

Plants and Vegetables

We would be really grateful of any donations of flowering plants, vegetable plants or any kind of seeds to grow. Mrs Long is our in house gardener along with some of our children and they are looking to brighten up areas around the school grounds. Please contact the school office if you can help. Many thanks.

Museum of Cornish Life

The museum of Cornish Life have presented us with some wonderful Flora Day Packs for the school children who would have been partaking in Flora Day this year. They include some colouring pages and a word search along with dance steps and sheet music.

Year 2 Project

Exciting news in year 2, they took a special delivery of some HUNGRY caterpillars this week. They will be watching them transform into butterflies over the next few weeks and will also enjoy releasing them into the wild once grown! Watch this space for updates.

Further News

The children have enjoyed a visit from the History Man with renditions of Darwin in year 5, Henry the VIII in year 6 and Samuel Pepys in year 2 - all were linked to subjects the children are learning about. These visits were kindly funded by The Friends of Parc Eglos.

Foundation have been celebrating World Maths Day this week with lots of fun games and activities.
