'Learning today for the world of tomorrow'

It has been such a lovely week in school. The children have come back in such a positive manner, looking very smart in their uniforms. There have been so many smiling faces and it is clear that they have learnt so much during lockdown and they have maintained their enthusiasm for learning. Yes we will have to work on concentration levels and sitting at desks again, but we can see that our parents and community have done their utmost to keep our lovely children on track. It is so lovely to see them smiling and happy at school as well as seeing that so many are still the polite, well mannered children that we have grown to love.

If everything goes to plan and the infections continue to decrease, we are planning to get as close to normal as we can after Easter. Swimming will resume as will music and a number of clubs. We are looking to develop our Sports as much as possible with a view to Sports Day as normal with an ambitious plan currently being formulated to have a whole Southerly Point Co-operative Trust KS2 Sports Day!

Thank you once more for your hard work and dedication during what we hope is the final ever lockdown.

Best Wishes, Mr Dye

Red Nose Day
