## School Meal Price Increase

When we return to school in November after the autumn half term please note the price of school meals will increase within our MAT from £2.30 to £2.34. Usually any price increases are applied in September but due to the current pandemic it has been delayed until after the first half term this year.

## Parent Questionnaire

Earlier in the week we sent out a link for a questionnaire from Southerly Point Multi Academy Trust in relation to the past few months. We would be really grateful if you could take the time to complete this form and give us your feedback. Many thanks.

The expected percentage attendance for a child is 96%. Let's see if each class can aim for this or above!

## Health Letter

The Department of Health has introduced statutory guidance for schools in relation to children with medical conditions, with special guidance in relation to the use of inhalers. If your child has any medical conditions please ask the office to send you a form to complete.

## Steps at The School Office

Please can we ask that children do not climb into the area next to the steps at the main office, this area is fenced off and should children fall there is a big drop at the bottom.

## Late to School

Please can we ask parents to keep to the drop off times in the morning as we have seen a significant rise in our late attendances.

Next week the school menu will be on **Week 2**
