We have achieved our highest Key Stage One results ever and we are above the National Average in every category. We have also achieved our highest every Key Stage 2 results in both Writing and Mathematics. There is so much to celebrate. However, one key area that we clearly need to address is Reading Comprehension and we are looking to improve and develop this in 2019/20. We have already made a start and we will be completely refurbishing our library with new books and making reading as exciting as possible. You can help this by supporting the P.T.A. with their fundraising activities next year.

Despite being one of the worst funded schools in the country, Parc Eglos have achieved so much and that is down to the wonderful teaching staff we have here and the consistent support that our parents bring.

We had a wonderful Leavers Assembly yesterday; these children have achieved so much in all areas of the curriculum. They have been such a credit to the school. We wish them the best of luck at their new schools and look forward to welcoming children back to school on Friday September 6<sup>th</sup>. On behalf of the Governors and Staff we would like to give you all our warmest thanks and hope that you have a lovely summer with your families!
