

A message from our CEO

Parc Eglos School is one of the family of schools who together are Southerly Point Co-operative Multi-Academy Trust. We genuinely support each other and work closely together to achieve our aim of 'enabling excellence for all': our children, our staff and our communities. This is the expectation of all of those who work with us, whether in the classroom or in the essential support roles behind the scenes. Our work is underpinned by the co-operative values and these inform everything we do.

There are many opportunities for everyone's learning experiences to be enhanced, from the youngest child in the Trust's nursery provision through to the students in our Post 16 provision. The staff learn together too, sharing ideas and resources for the benefit our children.

We hope you will enjoy finding out more about our schools - each one them is unique and has its own character - but all of them are caring, friendly and nurturing - and we commend them to you.
