'Learning today for the world of tomorrow'

Swimming

The recent publicity on BBC Spotlight for our school swimming pool was greatly welcomed. The children who were on the screen were amazing! We are now one of only two schools in Cornwall that have a pool. This has helped our school achieve so well in swimming galas but more importantly to ensure that all our children can swim by the age of eight. Less than 40% of British children can swim by the time they leave primary school so that is quite an achievement. We do however rely on your kind contributions. We ask just £10 per term. Thank you for those who have already paid but could we please put out a plea to those who have not yet got round to this. It is very easy to pay via ParentPay but alternatively you can pay via cash/cheque to the school office. Thank you for your continued support.

Assessment Results 2017/18

We thought it would be good to share with you our results which we have forwarded to the DFE for validation, following the Key Stage One assessments of our year 2 children. These are the best ever scores for Key Stage One for our school. As you can see, we are well above the national average in every single category. Great credit for this goes to our Key Stage one teaching team and the year 2 children. These results are truly outstanding and give us great confidence for the future.

Helston Foodbank

With the summer holiday coming up, Helston and The Lizard Foodbank would like to remind you that if you have a child or children who receive free school meals, you can collect 3 food parcels from us over the summer. Please bring your school's compliment slip each time. It would be helpful if you could bring a couple of strong bags, as plastic ones are scarce now. The food can be collected from the Helston and The Lizard Foodbank at the Open Door cafe, 14 Wendron Street, Helston, TR13 8PS (opposite the Flora Cinema); on a Monday, Wednesday or Friday between 10.00am-2.00pm.

Football Ban

We have had several incidents and injuries with footballs in the morning and at lunchtimes. Please could we please ask that children **do not** bring footballs to school. Children will be able to play football but this will be on a supervised basis using balls provided by the school. Thank you for your understanding.
